

Seadown Equine Clinic

New Forest, Hampshire

Require an experienced Equine Vet, minimum 2-3 years qualified, the position is flexible meaning a 3-5 day week with OOH duties can be accommodated.

We are an RCVS Accredited Practice, with a 7 vet equine team supported by qualified VNs, and provide a professional, high quality ambulatory and clinic based service to a diverse horse population. The practice also supports a strong small holder community so an interest in this type of work is an advantage.

Certificate study is actively encouraged and supported, with 5/7 of our team either holding or studying for Equine Certificates, and this position would suit someone with similar aspirations / qualifications.

Facilities / equipment include Treatment Room with on site stabling for in patients, Knock down box, Concrete Trot up, 35x20m Martin Collins arena, additional 15x15m hard surface arena, Video Endoscopes including Gastroscope, Sonosite M Turbo and GE Logiq e ultrasound machines, Digital Radiography, Shockwave, and full in-house Laboratory. Dental instrumentation, power floats, and dental video scope ensure easy and complete dental care with the additional benefit of a visiting Orthodontic surgeon.

Applicants should have high clinical standards with good team and client communication skills. Salary is commensurate with experience; 5 weeks holiday, plus Bank Holidays on a pro-rata basis.

The National Park and Solent ensure the local area offers excellent recreational opportunities particularly equestrian, cycling, sailing and walking.
