

SEADOWN
VETERINARY GROUP

Seadown Veterinary Hospital New Forest, Hampshire

Require a qualified Veterinary Nurse (3 yr SVN considered)

Do you want to work a 38.5 hour average week, be paid well, and have an active role within a progressive team?

We are an RCVS accredited Small Animal Hospital, with a large, experienced and friendly team (15 SA vets, 16 Q&SVNs) and the equipment and expertise to work both medical and surgical cases through to the highest standards. Ophthalmology, Orthopaedic and Exotic Referral Services are also provided.

The position requires Out of Hours cover, but this is included in the 38.5 hour week average, as there is the equivalent time off in lieu of OOH duties in the same week. Weeknight duties are on average 1 in 13, and weekend duties are 1 in 5. In addition there is a duty allowance of up to £2900 per annum.

Our commitment to our staff and their professional development means that further study is actively supported and encouraged. Salary is commensurate with experience, with 4 weeks holiday, plus Bank Holidays.
